£6,000

Terms and conditions: Competition is open to all Hampshire primary schools (infant and junior) in the Southern Daily Echo circulation area. Where necessary, you must have permission from the relevant body before submitting your entry. To enter you must complete an official entry form printed in the Southern Daily Echo. No photocopies accepted. Normal Echo rules apply, visit www.dailyecho.co.uk and click on "Offers & Comps". No purchase necessary. Entries will be verified before being submitted for the final. The editor's decision is final. The winner of the first prize will be the project with the highest verified number of votes per pupil attending the school. The winner of the second prize will be the project with the second highest verified number of votes per pupil attending the school. The winner of the third prize will be the project with the third highest verified number of votes per pupil attending the school.

There is no cash alternative. The winners must be willing to take part in publicity. The expected time for completion of the project will be discussed with the winner; the length of time will be dependent on the scale of the project and the work involved. The work must not exceed the budget allocated. If it does, it is the responsibility of the winner to cover the difference. If the project's cost does not reach the allocated budget, the winner will not be credited the difference. Any money remaining would be donated to a local charity. This promotion is sponsored by the Leadbitter Group. For a full copy of the terms and conditions, write to: Leadbitter Group School Build Challenge, Promotions Department, Southern Daily Echo, PO Box 543, Southampton, SO16 9ZQ.
